

Getting Started

Follow the info-graph below to find out which educational opportunity is best for you! If one of these options appeals to you, just click on the hexagon to find out more information and/or to see upcoming dates.

I WANT TO JUMP RIGHT IN...

I'M NOT SURE IT'S FOR ME...

I NEED MORE SUPPORT...

INTRO TO BEEKEEPING

Get all the information up front in this 3-4 hour comprehensive lecture class. By the end you'll not only know if beekeeping really is for you, you'll have a solid knowledge base to get you started!

BEEHIVE TOUR

Find out what it's like to be a beekeeper and see what it's like to have a hive on your property with this fun and educational experience. You'll suit up and learn about bees as they fly all around you.

INTRO TO BEEKEEPING

Get a feeling for what's involved with starting a beehive and whether it's right for you. This class will help you decide how involved you want to be and what impact a hive will have on your backyard.

HIVE INSPECTION

Continue your progress, with this dynamic hands-on class. Learn the basics of hive inspection, manament techniques and so much more. Take this class more than once to hone your skills!

I WANT TO LEARN MORE

Think you might want to start your own backyard beehive? Learn more about what's involved and how to get started keeping bees!

I'M NOT LOCAL

MAINTENANCE PROGRAM

Use our maintenance program as a way to transition into managing the hive yourself or just relax and let a professional beekeeper do all the work for you. We can customize this program to fit your needs.

PERSONAL MENTORING

We can help you stay on track with managing your new colony. Make an appointment for some extra guidance.

WANT REGULAR VISITS?
